

Akal Academy Rachhin At A Glance

Annual Report

1. *Introduction:* The world today needs persons who are honest, virtuous, selfless and compassionate driven by sense of service and capable of exercising restraint despite extreme provocations; persons who can show the path of love and shower it freely without yearning for returns. To achieve this mission of our founding father - Sant Attar Singh Ji Mastuane Wale - Akal Academy Rachhin was established in April , 2015 on 2 Km far from Village - Rachhin , District. Ludhiana . Our mission Statement reads: "To establish permanent peace in the world through value based scientific education and spiritual upliftment and provide so lace and succor to the down trodden and the deprived".
2. *Infrastructure:* The Academy owns a magnificent building comprising of **24 Class rooms**. As many as **224 students** are being provided Modern Scientific Education blended with spirituality to achieve excellence in whatever careers they choose for themselves. All Class rooms are equipped with modern teaching gadgets (Smart Boards etc.) to serve the world class content on the students' platter within the four walls of class rooms. Apart from Computer lab , Mathematics Lab , Composite Science Lab, Music Rooms for students, A Grand Library with 5184 books contains all types/ Subjects books with some rare scriptures on Sikh history. Nearly Magazines, 10 Periodicals and 4 dailies are a permanent feature of the school library. Neat and Clean Washrooms, purified drinking water and a clean and green campus provides peaceful environment for learning. Two **R.O. Systems** with **500 Lt/hour capacity each** have been installed to fulfill drinking water needs of students. A **Genset of 15 KV capacity** is available for the continuous supply of electricity in case of power failures. **20 KW Solar Panels** also help to save energy which is the need of hour.
3. *Faculty and Staff:* Nearly 17 teachers 5 Non-teaching members and 30 supporting staff members take care of the holistic development of the students with dedication and sincerity. Every year **professional development workshops/ Conferences/ Seminars** are organised to chisel and refine their talents in the interest of the students.
4. *Sports:* Students enjoy playing the sport of their choice in huge playfields equipped for playing Badminton , Volleyball, Football, all types of athletics and Indoor games likes

Chess, Carom etc.

5. ***Extra-Curricular Activities:*** The students divided into four HOUSES namely ABHAY, AJAY, AMUL and ATUL are encouraged to participate in Creative Writing, Fine Arts, Debates, Dramas, Storytelling and Dramatization, Choreographies, Religious Shabad Singing and other diverse Linguistic and Cultural Programmes of different states.
6. ***National and International Olympiads:*** The talent search programmes are organised throughout the session and students actively participate in National and International Olympiads in the subject of English, Mathematics, Science and Information Technology. We got 2 Gold in 2024-25 with many others getting outstanding results over the years.
7. ***Environment Sensitivity:***
 - ❖ The school owns an Eco Club with a membership of 224 students which undertakes following activities during every session:
 - (i) Plantation in School
 - (ii) Create best from waste
 - (iii) Use and Unuse of Plastic
 - (iv) Save Water / Electricity Project
 - (v) The School owns 20 KV Solar Power Plant
8. ***Spiritual Upliftment:*** Ours is a day-boarding institution. The students spend the serene morning hour (35 to 40 minutes) in meditation (Nitnem, Shabad Kirtan) before morning assembly which enhance their religious faith, power of concentration, retention and provide solace to their souls. We organise different competitions and religious programmes to inculcate values, the quality of caring and sharing, helping the needy and shramdaan which are the basic tenets of Sikhism: Naam Japo, Kirat Karo, Vand Chhako.
9. ***Educational Excursions:*** The School organises educational tours and trips to Science City, Apple Mapple, Chaki Dhani and Religious Places Fatehgarh Sahib, Tarn Taran Sahib etc. to broaden the vision and interest of the Students. They are prepared to be future ready by organising Rallies and Road shows to attract their attention towards national and global issues like Drug Addiction.
10. ***Concessions and Scholarships:*** Taking care of the struggling humanity and helping the needy is the special feature of Akal Academics. Needy Students are enrolled under a variety of students' welfare schemes like Mata Bholi Ji Concession Scheme, Raagi-Paathi Singhs Scheme, Economically Challenged families and Wards of Farmers. To add to

this, the girl children are given special concessions under single girl child , two girl children , one boy one girl child and also the staff wards are well taken care of.

11. *School Management Committee:* School Management Committee of Akal Academy Rachhin consists of Learned Educationist, Principals, Parents, Staff Members and others as per C.B.S.E Norms and strives hard for all round development of students, teachers and infrastructure of school, through liberal constructive discussions. SMC owns the responsibility and take decisions about providing Modern Teaching Learning gadgets, Planning curriculum, Conducting Teacher Training Workshops to update the staff with modern innovations, teaching paradigms and students' management, Inter School Competitions and to celebrate special programmes in the school.

A journey which began with Just five students in a hut in the remote area of Baru Sahib in Himachal Pradesh by our Hon'ble Management in the leadership of Baba Iqbal Singh Ji, has now, a staggering **70,000** students from India and Abroad studying in **130** branches of Akal Academies spread all over rural areas of five states; Punjab, Haryana, Rajasthan, Uttar Pradesh and Himachal Pradesh and is taking care of masses of the Country - Akal Academy Rachhin is one of them.
